

*Announcing the
Fort Atkinson Candlelight Tour
Saturday, November 7th, 2026*

Will the 6th Infantry be leaving their “Elysian Fields”?

What are the signs that the Fort may be abandoned in the year of our Lord 1827?

Tours start at 6 p.m. and every 20 minutes thereafter, lasting about one and a half hours.

Join us for a unique evening in which you will be taken on a guided tour of the fort by candlelight. Each stop along the way will reveal another part of the evening's themes, which are based on actual events.

Ticket prices:

\$20 (adult)

\$15 (seniors 60+)

\$15 (children 6 -12)

Because space is limited, a reservation is required. You may pay for your tickets via standard mail or a Square invoice (information will be emailed after reservation). Your non-refundable payment must be received within 10 days of confirming your reservation to guarantee your tour.

Reservations may be made using this link [CLT Registration](#), or by calling Kevin at 402-203-8046 between 10am and 5pm (if no answer, please leave a message).

This includes a complimentary pass to the Harold Anderson Visitors' Center. A valid Nebraska State Park vehicle entry permit will be required and available at the Visitor Center. All proceeds will help support the living history program at Fort Atkinson State Historical Park.

Note that this is a walking tour and will take approximately one hour and 30 minutes. Please wear walking shoes and warm clothing. Refreshments will be served at the conclusion of the tour.

No flash photography, flash lights, or pets please.
